MAUI  SANDS

MAUI NO KA OI!

Means "MAUI, THE BEST!" Truly deserved, if you wish to see the most spectacular and unique scenic wonders that Hawaii has to offer. See Haleakala, "House of the Sun", world's largest dormant volcano, where one of its volcanic cones rises higher than the Empire State Building, and only place on earth where the unique Silversword plant grows. See the geological phenomenon of Iao Needle, spirelike mountain rising from deep within Iao Valley. Visit Lahaina Town, former capital of ancient Hawaii and winter haven for the world's former whaling fleets. See the Lahaina Banyan Tree, the world's largest. Visit Kapalua Beach, called "Hawaii's most beautiful beach", and the scenic coast of Hana where old Hawaii still flourishes in nature's gorgeous splendor. Visit the Seven Sacred Pools where Hawaiian royalty once played in mystic seclusion, or the Keanae Lookout for one of the most beautiful panoramic sights in all Hawaii. Truly, Maui is

No Ka Oi!
